Rev. Father Edward Namiotka

August 26, 2008

Dear Alumni and Friends,

As I write this letter, Sacred Heart High School is undergoing changes to its administrative structure. Beginning this school year we are employing a **President / Principal** model of governance found in many private high schools throughout the country.

Since its foundation in 1927, Sacred Heart had a Sister of St. Joseph as principal in charge of the school. When I took over in 1998, I was the first male principal to walk the hallways of the school. Now Sacred Heart has its first laywoman as principal—Mrs. Diane Tucker.

Mrs. Tucker has worked with me for a decade in roles as Vice-Principal, Guidance Director and Assistant Principal of Academics. As Principal she will be responsible for the everyday operation of the school and daily supervision of teachers, students and staff. As the newly-appointed President of the school, I will work with the school's Advisory Board and alumni, oversee the planned future building project, and continue to provide spiritual guidance and leadership for the school.

At this point in time the President / Principal model will best provide the school with what it needs for efficient and effective leadership.

You will be happy to know that Sacred Heart High School continues to plan for its growth into the future. With an addition to our present facilities, we anticipate an increased student enrollment. This multi-million dollar expansion would add additional classrooms, offices, auxiliary rooms and an auditorium to our facility and establish us prominently on Landis Avenue. It is what is needed to help us keep the students academically and technologically competitive and well-prepared for college.

All of this anticipated growth, however, does come with an ever-increasing price tag. The cost of tuition and fees this year is \$7,450.00 (\$6,950. tuition / \$500. fees) per student. There are a significant number of families (approximately one-third) looking to us for some financial help. Again, I ask for benefactors to help sponsor a student in financial need (either in part or completely). Wouldn't it give great satisfaction to know that you have helped someone to receive the gift of a Catholic education that you were privileged to have had? I do not like turning away families that want to provide their children with a Catholic education because they cannot afford it.

The Alumni phase of our Annual Giving Appeal will take place shortly. To keep this school on a solid financial basis and to allow for future growth and progress, we hope that the majority of our alumni will commit to a donation each year. Please take the time to respond to our appeal when asked.

Know that I remember each of you in my prayers, at daily Mass and during our Eucharistic Adoration each Friday. Please remember us too.

Sincerely,

(Rev.) Edward F. Namiotka
President

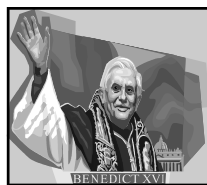

PARISHES MERGE

Diocese of Camden Bishop Joseph Galante

recently announced the merging of parishes in the diocese and the closing of others. It will reduce the number of parishes from 124 to 66. Sacred Heart and St. Isidore's parishes will merge with the primary site and business to be conducted at St. Isidore. Sacred Heart Church will not close and will continue scheduled Masses on weekends as well as weddings, funerals and special events. St. John Bosco and St. Anthony's Mission in Port Norris will merge with St. Mary Magdalen in Millville. In Bridgeton, St. Teresa of Avila and Immaculate Conception will merge with St. Michael in Cedarville and St. Mary's in Rosenhayn. The changes were made due to an estimated reduction of priest by 50% by the year 2015 and "changing demographics." The merges will create larger parishes and combine resources to better serve the Catholic community.

Fr. Ed. Namiotka, President of SHHS, was one of four local priests who attended a papal Mass in Washington, D.C. when Pope Benedict XVI visited the United States in April. They were among several hundred priests in an area surrounding the altar who concelebrated Mass with the Pope. Several years ago, **Fr. Ed** attended a seminar at St. Charles Seminary in Philadelphia when Pope Benedict was a cardinal. He remembers him "as a soft-spoken and gentle man and a very deeply spiritual and intelligent person."
